"James, I want you to take you clothes off – now!"
He was a half hour late and now I'm gonna have to do something about it. He may have been late but he does smell good. Not like my husband sitting in his office all day.

"All of them? Even my socks?"
I guess I'll have to take everything off. It will be worth it if I can fuck Joanna in the ass. I've primed my cock and it's as hard as it's gonna get. Now let's get started before I lose it.

"Are there any fluffers on set?"

i'm only sexting for fun

I'm having an email affair with this guy right now. Unfortunately he is married :(We have never seen each other but have become lovers by way of our imaginations and the wonderful world of computers. The following series of stories are products of our on going cybersex affair (I'm Pattie). It all began when I asked him a series of questions. The following are his responses plus my answers to questions he asked me.

Hi Pattie,
Well my favorite position is on my back and have you lay on your back on top of me. That way I can still fuck you, play with your clit and tits. The kinkiest place is a toss up between two places: First was at the beach in the water with a bunch of friends (they didn't know we were doing it, and the other was with my wife. We were at another beach at night with another couple. In view of them, we fucked on the hood of our car. Meanwhile the other couple was fucking on the ground about 10 ft away. This was my first and only anal sex. It was great!!! The kinkiest thing I would like to do is fuck two women at one time. I guess that's only logical being a man. As for what I like, I like all three, oral, anal, and vaginal as well as eating pussy. Now it's your turn:

1) What position do you like?

2) What do you like best: oral, vaginal or anal?

3) What is the kinkiest sex you have ever had, and what would you like?

4) Have you ever made it or thought of making it with a woman? Now you told me not to hold back.

You said you were thirty with blonde hair, but what do you look like? I'm six foot with brown hair. Well I guess that's it for now. Next time I will know what you like so it will make it easier to write to you and give you a good story.

Richard

Dear Richard,
Believe it or not I have never tried your favorite position! It sounded quite interesting though and will have to suggest it to my next lover, whoever he may be. My favorite position is one of two, depending on my mood. When I need to be aroused I generally prefer doggie style for much the same reason you like your favorite position - easier access and greater stimulation. I really think I would like your favorite position. My other leading style is for when I'm really hot and maybe he needs some encouragement. I like my man to sit on the couch and I'd give him a few licks just to get his attention (especially if football is on) and then I'd climb aboard and away we'd go.

I like oral, vaginal, and anal sex although the fastest way to bring me off is with your mouth. Anal sex is more of an occasional thing when you want to add some of the thrill of the forbidden. It is definitely not

for everyone and it seems many people, male and female, don't like it. My last lover was into it and that was okay with me ;)

Well the kinkiest place I have ever done it has many candidates. I'll give you some of my favorites. My very first lover was when I was 19 and he was actually a marine. He had an interesting experience on a bus on the way to California. He was sitting on the bus talking to an attractive woman sitting next to him when the subject eventually turned to sex and she offered to suck him off right there. Needless to say he didn't say no. After she got off, the next day another woman got on the bus and they started talking. My friend related his experiences to this other woman and boy did she get hot. They eventually had some pretty wild sex in the long back seat of that bus. After this experience, he was addicted to public sex. I was broken into the world of sexuality in a number of public places. I often brought him off in public with my hands. I once sat on his lap while a bunch of friends were watching TV. We were cuddled under a blanket and no one said anything. I once, on a dare, sucked him to orgasm at a booth in a restaurant where he sat with two other friends, also marines, who were aware of what was going on. It fact, it was one of those two who dared me. I used to never turn down dares :)

Aside from those experiences I was once in the chemistry lab during college when I got the itch. It was quiet in the lab. The door was open but no one was actually in the room with me. I was waiting for the gas chromatography to analyze my material so I put one foot on the lab bench, unzipped my shorts and worked them down just far enough to give me complete access. I spread my lips and beat my clit until I came in record time. My latest lover used to like to just sit and watch me masturbate. I like to be watched by my man.

What I would like to do is a much harder question. On occasion I fantasize about things that I'm not sure I would actually like to try. This, however will have to wait till I know you better.

As far as sex with a woman I have never done it. I did, however go to a woman's college and had many bisexual friends make some serious passes at me. Gay women find me very attractive. I have had many offers. I did consider it a couple of times but only because I didn't have a man around. I didn't go through with it because I didn't want to hurt anyone's feelings by using them.

I am 5'8, 130lbs and wear a 36D cup size. I have short blone hair with red highlights. My eyes are light brown. I also have a great smile 'cause my dad's a dentist. I wear contacts but wear glasses at work.

Hope to hear from you soon.
Pattie

Well Pattie,
You have me wondering what you are scared to tell me. It can't be all bad, plus you told me to push you along. I do hope that you do decide to share it with me. I find it really exciting to watch a woman bring herself to cum in front of other people. I just wish I was there now so we could do it together. The first one to cum is the winner, and the loser becomes their sex slave for the night. Something I have not tried yet is bondage, but I guess you have to fuck someone that you trust. If not on telling how long they would leave you there, or what they would do. Well I need to go for now. I hope to hear from you soon. I promise that my next mail will make you want to play with your pussy. But that will be later on tonight.

Talk to you soon.
Richard

Hey Richard,
The last bit that you liked about coming for my lover actually happened at the fire station that I volunteer my time at. It was late at night and we were watching some soft porn on cable when he asked me to finger myself for him. At first I was really shy and worried that someone would come downstairs and see me. The woman that never blushes was

YES, I'M WET.
I'm also sassy, opinionated, a bitch, a sweetheart, your lover, and your worst nightmare. I'm your ex – asshole.

blushing up a storm. It didn't take long before I started to get into it and began to give him quite show. I ended up coming not once but twice. He got so hot watching me that when I was done he bent me over the back of the chair, dipped into my cunt for a little lubrication and then went into the backdoor. That was my first experience with a cock buried in my ass but it was wild!! He got extra credit for being inventive and not giving me the opportunity to object as I may not have done it.

Enjoying this a lot :)
Pattie

birthday bashed

Bryan bent me over, spread my ass, and licked around and inside of me while biting on my soft cheeks. I was dripping wet when Bryan told me to lay on my back. He took off my heels and began sucking on my toes one by one taking his time to taste each and every toe. He started licking my soles from the bottom to the top, pausing each time in the middle and licking them how I like it. His tongue worked its way up to my pussy and he dove in face first! The whole time he was telling me how much he loved the taste of my pussy with a smile on his face.

I looked over at my hubby to see him with Bryan's wife still enjoying his time. He had her bent over and I could hear his balls slapping her ass each time he pushed hard into her. I couldn't stop cumming while seeing that and having Bryan's tongue inside of me. As soon as Bryan started fingering me, I had an orgasm and I couldn't stop. My toes curled, my back arched, and my legs kept shaking. I knew I was in for a good time. I had Bryan sit down and I began licking on his long thick hard cock. I started from his huge balls and worked my way to the top. My hubby came over and started fucking me as I was sucking on Bryan. While being bent over between two guys, I couldn't have had a better birthday.

My hubby came quickly, since he had been fucking Bryan's wife non-stop so far. As soon as I stood up from sucking off Bryan, my hubby kissed me deep and long. he stuck his tongue deep down my mouth tasting Bryan's sweet cock in his mouth. I know he loves being my hubby, and these are the moments that turn us both on so much!

I laid on my back next to Bryan's wife and I began to rub on her clit in a circular motion as Bryan was sliding his thick wet cock in and out of my hot pussy. I could feel it deep inside of me, all the way in my stomach to the top. I kept moaning how bad I love being his bitch, and I kept begging for more. And he kept giving me more.

I got up and got into doggy style position and Bryan slipped it back in me. The harder and faster he went the more I could feel his balls slap up against my clit. I was so turned on and cumming non-stop the whole time. That's when Bryan's wife pulled my face down into her pussy. I could taste my husband's cum and hers as I licked up and down her sweet engorged pussy lips. Bryan told me I better enjoy my birthday a lot because he just came in me.

Soon as Bryan had cum inside of me a few more times, I told my hubby to eat me out and taste how good his wife had just gotten it. He began eating me out, not missing a spot. It felt so good being the center of attention that night, and it was a great end to a birthday I'll never forget, at least until the next one!

After our fun, we all cleaned up and my hubby left and said he'll pick me up later the next day. I tried to sleep naked in Bryan's bed with him, but for the next ten hours I couldn't stop sucking him and swallowing his cum all day. When hubby came to pick me up later that day, my black dress was covered in Bryan's cum, my face was covered in Bryan's cum, and my pussy was filled completely. When we got back home, me and hubby had the best sex of our lives!

"I don't have much time today."
I do want to fuck you Andrew, but it has to be quick and you need to stay out of my ass. My husband gets home and I still have to stop at KFC.

"Ria, slow down and live a little."
I know you got a man to cater to at home, but if you didn't want my big hard cock then why are you here? I'll hurry but you'll have to take my load in your mouth!

"That's nice. I'll swallow it."

"Lexi, Tony and Tyce are here."

I see two tall blond men coming into the room. I think to myself that in a few minutes I'll be sucking both their cocks and then they'll both be fucking me. I'm so nervous, but they seem like a couple nice guys.

"Hey Anthony, let's change things up, bro."

I'm with you, bro. Hey Lexi, I'm going to fuck you first then Tyce will join in. My cock's going deep into your pussy, then his. We hope you can take it because we're relentless fuckers.

Camryn was getting a wicked feeling as she removed her clothes. The table had a fresh sheet on it...

After my girlfriend discovered this new spa she started going there as often as she could. She enjoyed the facials and especially loved the massages she would treat her self to. I teased her about the Spanish man, Raphael, who massaged her a few times asking if he was offering her sex. She assured me that he was very professional. I said she should ask him if he made house calls. He admitted he did work outside the spa but only at his house. He charged the same fee but said no tip would be necessary due to the fact he would not have to share the fee with the spa. Camryn thought about this for a while and took him up on his offer.

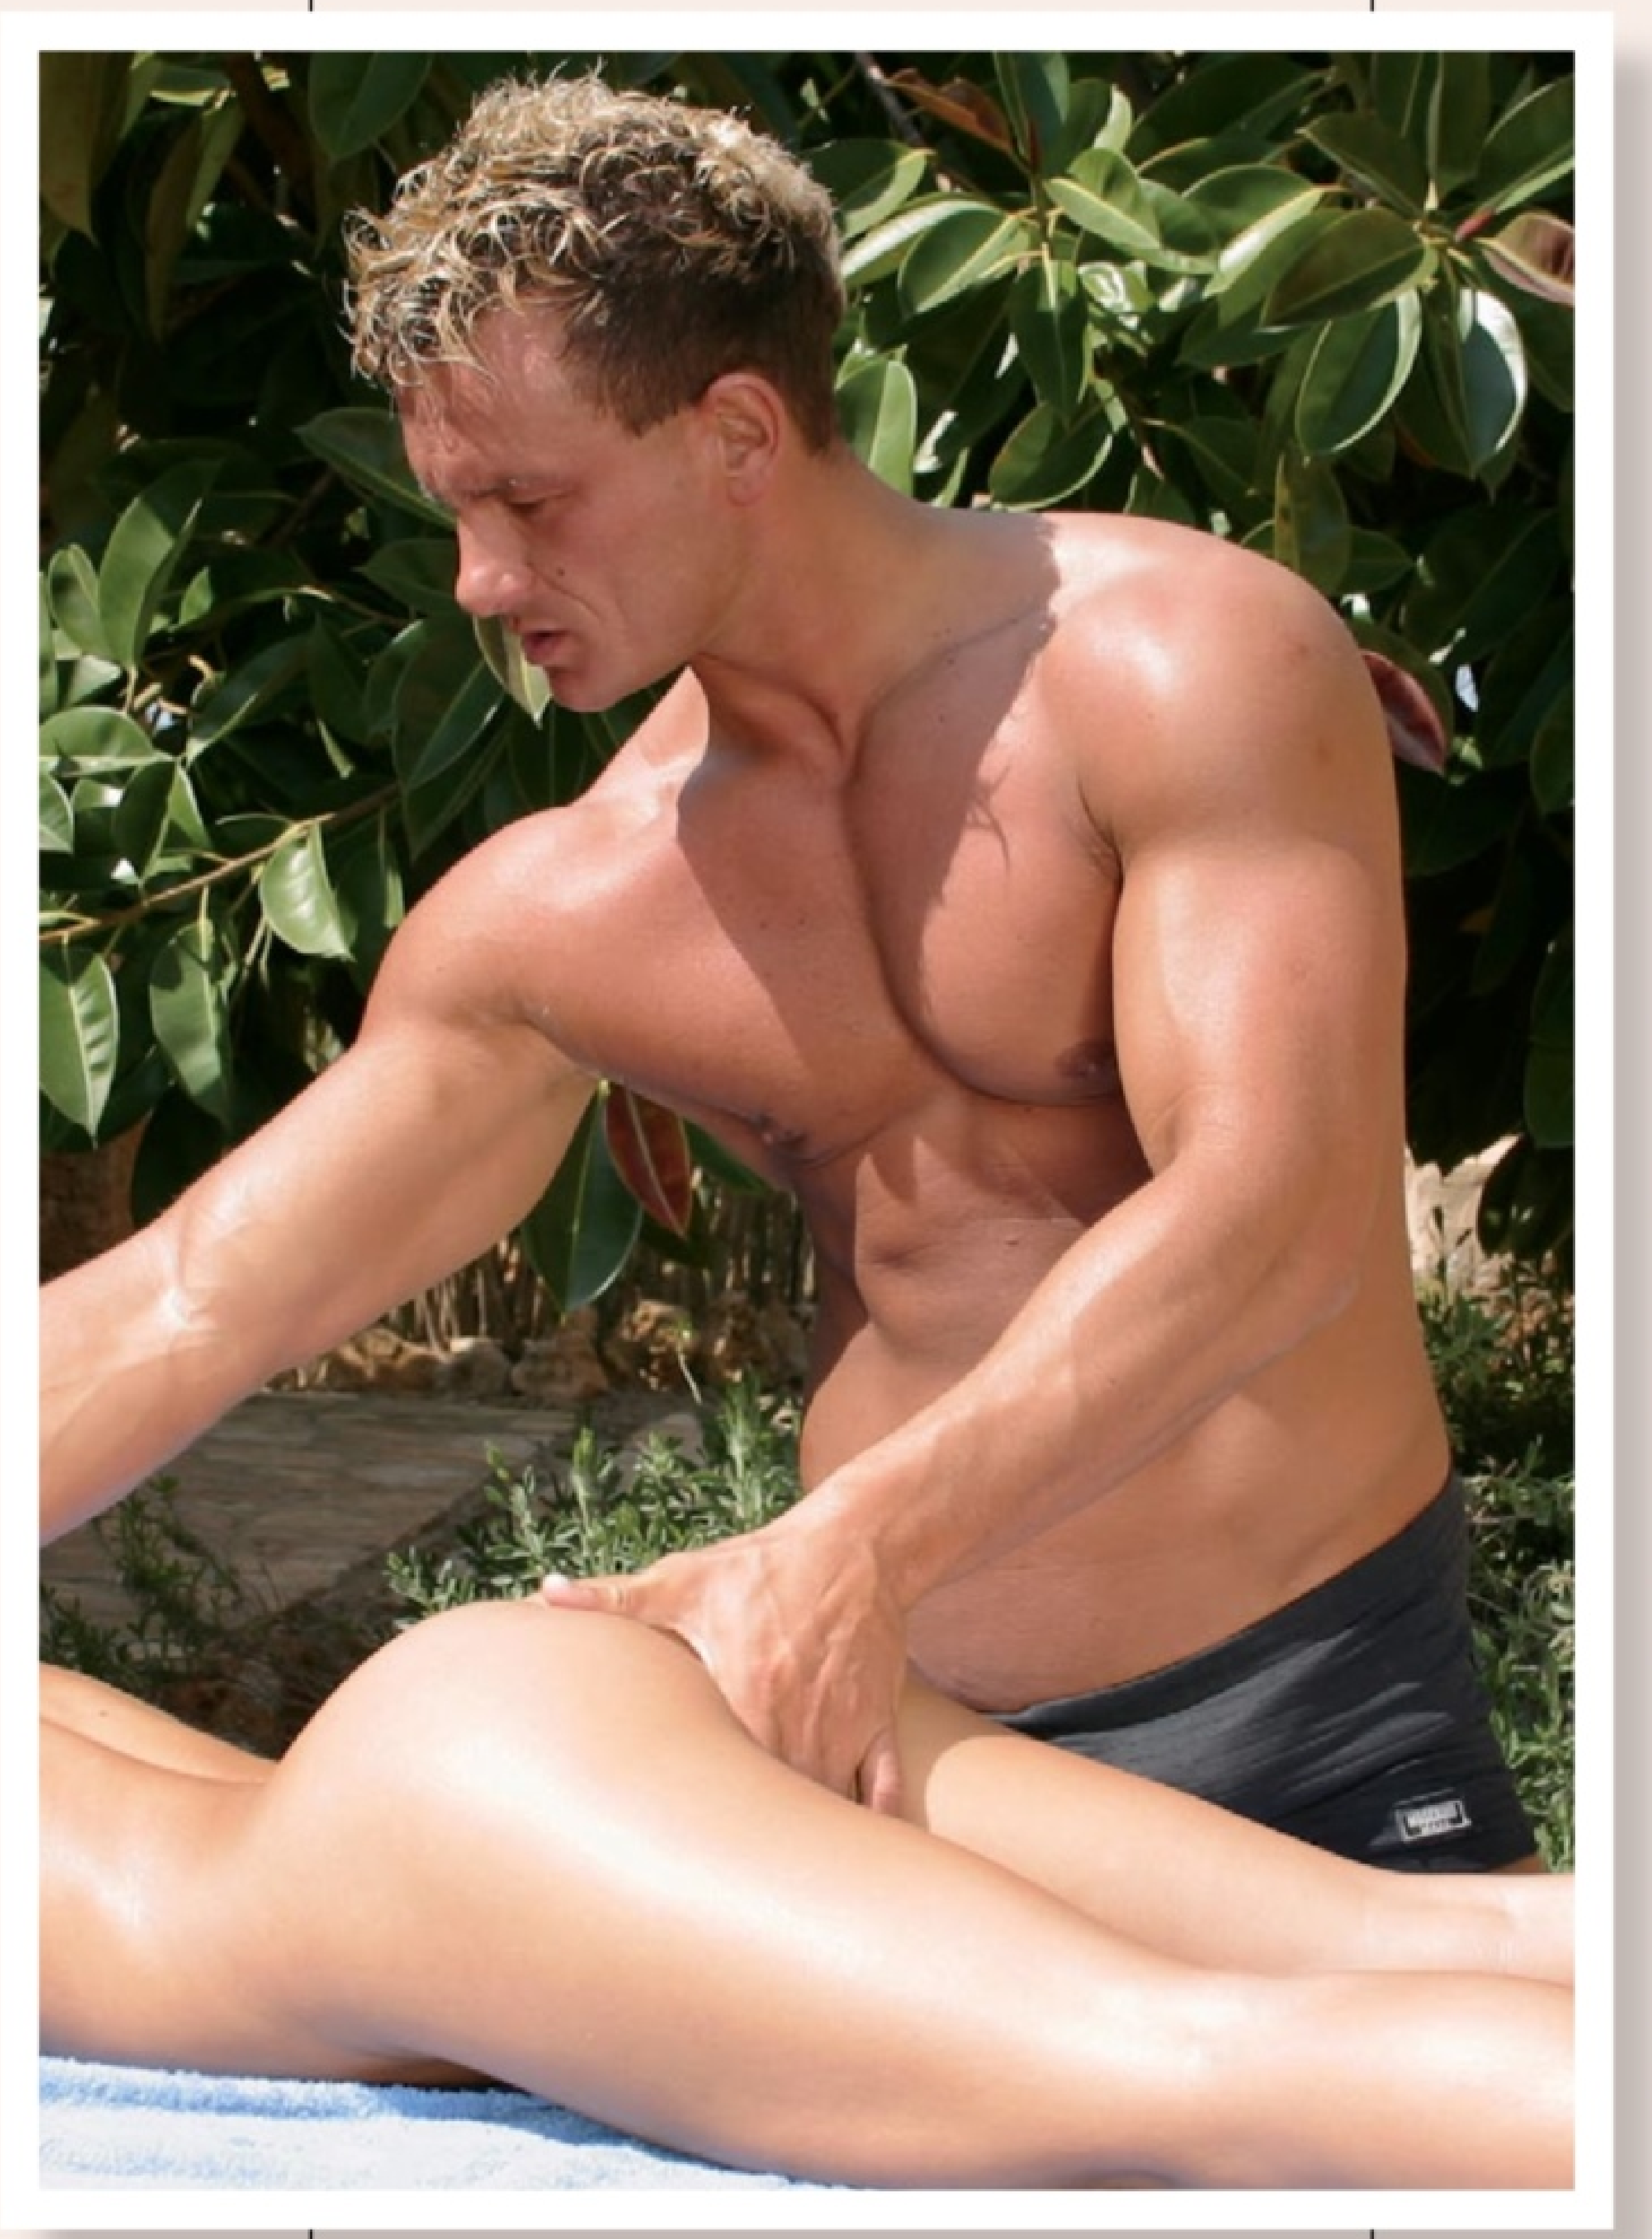
She arrived at Raphael's house on a late Monday after work. He lived only two towns away in a private neighborhood. Being south Texas it was a very warm evening. He greeted her at the door wearing his usual black T-shirt and pants. He was pretty friendly and very professional about it. Camryn followed him and was lead to his back screened in patio. His yard faced a large lake. Many tropical plants surrounded each side hiding a six-foot fence. The sun was starting to set so the evening light was reflected off the water. Camryn found his set up very erotic when she discovered his massage table out side in the patio. He said it was very private here and he enjoyed the natural warmth of the outdoors. Maybe he saw a bit of hesitation on her part. He reached over and rested one of his strong hands on her shoulder and started a gentile rubbing. She looked into his soothing dark eyes and felt compelled to follow his instructions. He asked her to get undressed and pointed to the table, he left her alone to get her a drink.

Camryn was getting a wicked feeling as she removed her clothes. The table had a fresh sheet on it but no towel was around. She just expected to find some towels like at the spa and had not even looked until she was standing naked by her pile of cloths. Feeling a little awkward she guessed he might have planned it this way. She always felt he was trying hard not to look at her during the massage sessions in the past. A few times she heard him gasp as she turned over under the towel, sure he had seen her 36D breasts and trimmed pussy. Well she figured what the hell. No sense in stopping now. She crawled onto the table and onto her flat stomach to wait for him.

Her masseuse friend appeared soon with her drink and a pile of towels. He smiled and apologized, sheepishly, for not having them out sooner. Camryn said sarcastically ‘I bet you are!’ She found his European accent and laugh sexy and did like the naughty idea of being completely exposed to this very good-looking man. He handed her the blue bottle and complemented her on her round ass.

Stepping over to the table he patted her butt softly. He quickly poured a generous amount of warm oil all over her soft skin. Camryn felt the oil puddle in the small of her back. His hands soon started a gentile spreading of the oil. His hands captured the oil gliding it up to her shoulders and swiftly back down over has ass, thighs and legs. He covered her feet and swiftly covered her entire body with a coating of warm oil. She rested her face through the tabled opening and enjoyed the sensation of his very strong hand covering her body. A gentile warm breeze stared blowing up from the lake sending a shiver up her spine. She was not use to being so well coated with oil. When at the Spa she was always covered with a towel over her ass, which blocked the warm fluid that now ran slowly between her legs. She was opening her legs a bit so the warm fluid would not just sit in the slit of her ass.

His hands captured the oil gliding it up to her shoulders and swiftly back down over has ass, thighs and legs. with a coating of warm oil.



He was doing her hands and pulling her arms away from her body. The cool night air tickled her half exposed breasts. He seemed to be paying more attention than usual with her arm pulled away. She felt his eyes trying to get a glimpse of her large breasts. An evil thought popped in her head and Camryn leaned up to reach for her drink. Watching him swallow hard as her round tits stood out was worth the maneuver. She tilted her head back and took a long drink. He stood watching he tits sway in their heaviness.

A few blue drops run down her throat and along her right breast. She enjoyed the show she put on just to see his reaction. As he walked back down to the foot of the table he removed his shirt saying it was pretty warm tonight. Camryn felt very comfortable with the cool air blowing against her oiled up body. The masseuse started working on her feet. He lifted her calf and flexed her leg. He did some deep tissue

work on the calf and was slowly pulling her leg away from her body. She felt him straighten her leg. Then holding her leg straight her rotated her hip joint very slowly.

As Camryn rested her face through the table hole she felt her pussy becoming very wet as he pulled her leg gently away from her midline. Her pussy was actually opening up and feeling the cool night air play against her outer lips. She could almost her the moister of her juices as they separated from her sticky pussy skin folds. He left her leg spread as he lifted the opposite one. After doing the same hop rotations she felt her legs spread out very far with her cunt fully exposed for this European's view. He then went to her feet and was using a very light touch, which always made her excited.

> *She felt herself getting very wet down there. His hands glided up her leg and brushed against her pussy lips, which were always shaved.*

The sensations of hot oil, cool breeze, sexy strong hands were too much for her. She felt herself getting very wet down there. His hands glided up her leg and brushed against her pussy lips, which were always shaved. He ran his hands back down and now she was sure it was an intentional little feel on his part. His fingers boldly touched her pussy lips and lingered for a moment, long enough to cause a gasp from Camryn.

He leaned close to her ear and in his accented voice asked if everything was OK? Camryn moaned a low reply that he was doing just fine. Her breathing was heavy and Raphael seemed to be testing her reaction to his touching of her pussy. He seemed to have passed the test…

His fingers now played along the top of her spine. Slowly he pulled his hand down her spine to the center of her back. As one hand would run down her spine and stop another would begin at the top and start the slow process again. Applying heavy pressure along her spine he would reach further and further down toward her opened ass.

She was wondering how far he would go when she felt his fingertips press along her ass crack. While one hand was slowly moving in her perfect heart shaped ass the other hand was working that way to replace it. His fingers found her small anus and she cooed as he gently ran a finger along her anus. She felt his thumb apply direct pressure on her hole, firm pressure but he did not push in her ass. Keeping his thumb pushed against her as his other hand graced her spine sending shivers along her nervous system.

“Sylvio, I’m being unfaithful today.”
You know that I’m a size queen and I just love the size of your cock. Its big and thick and may just be too big for my mouth, but I want to find out.

“My cock’s hard already just looking at you, Sophia.”
Yeah, I got a big cock, but I also know how to use it. So bring that little mouth over here and wrap it around my cock. When it’s done ther, it’s headed right for that pink pussy of yours.

“I sure hope it fits.”
